These four papers are (or should be) included with this Newsletter for those who have paid dues for the 1992/93 academic year. Papers for the Pacific Division meeting will be distributed in February, and papers for the Central Division meeting in March, again to dues-payers. The speakers at the Pacific Division will be Henry Mendell and Gale Justin; the speakers at the Central Division will be James Kostman and David Hahn.

We note that 1993 will be the 40th anniversary of the founding of the Society.

DUES

Dues are \$7.50 per year US; \$10 Canadian; any other convertible currency: the current equivalent of US \$10. Make out your check to SAGP. We honor multi-year dues payments. If you have not yet sent your dues for the 92/93 academic year, we urge you to send your check now. The later in the year you pay dues, the more it costs the Society to mail your papers, since late mailings do not go out bulk mail.

The last year for which you have paid dues should be noted on the address label. If you have some other notation, you are invited to join at this time.

Papers at the meetings with the American Philosophical Association and American Philological Association are invited by consensus of the Program Committee (The President and Secretary, *ex officio*, John Anton, W. W. Fortenbaugh, Julius Moravcsik, Joseph Owens, Robert Turnbull).

TWELFTH ANNUAL SAGP/SSIPS CONFERENCE

The 12th annual SAGP/SSIPS Conference will be held, for the first time, at Binghamton University, October 29, 30, and 31, 1993. We expect that in other respects this meeting will resemble those held in the recent past at Baruch (1991) and Columbia (1992). We invite submission of proposals for panels (by *March 1*) or submission of papers (by *August 1*) on any topic in ancient and/or medieval philosophy.

THE JOURNAL OF NEOPLATONIC STUDIES

The *Journal of Neoplatonic Studies* Volume 1, Number 1, has now been published and is available. It is planned that *JNS* will appear twice a year; subscription is a very reasonable \$15 for the two issues. A. Preus, Philosophy, Binghamton University, 13902-6000, is handling subscriptions. A check made out to "JNS" for \$15 will get you the first two issues.

The first issue includes:

John Anton, "Plotinus and the Neoplatonic Conception of Dialectic"

Lisa Marie Esposito Buckley, "Ecstatic and Emanating, Providential and Unifying:

A Study of the Pseudo-Dionysian and Plotinian Concepts of *Eros*"

Eve Browning Cole, "Plotinus on the Souls of Beasts"

Douglas Lackey, "Time and Value from Aristippus to Plotinus"

Martha Husain, "Cognition and Human Actualization in Plotinus and Aristotle"

Joseph Owens, C.Ss.R., "The Keystone of the Aristotelian *Metaphysics*"

plus reviews of Gregory Vlastos, *Socrates*, and A. C. Lloyd, *The Anatomy of Neoplatonism*.

Submissions of papers: two copies (and if possible a diskette in WP 5.1) to James T. H. Martin, Philosophy, St. John's U., Jamaica, NY 11439. Books for review: John Anton, Philosophy, USF CPR 264, Tampa, FL 33620-5550. Advertisements and announcements: P. Morewedge, IGCS Binghamton University, Binghamton, NY 13902.
