SAGP Speaker Policy

Note: This policy has gone into effect, as of February, 1994.

The Society for Ancient Greek Philosophy, founded in 1953, sponsors sessions with the annual meetings of the American Philological Association and with the Eastern, Central, and Pacific Divisions of the American Philosophical Association. In addition, SAGP has since 1980 helped to organize a joint meeting with the Society for the Study of Islamic Philosophy and Science and several other groups. Members and potential members of the Society are invited to submit abstracts or papers for any or all of these meetings. At each meeting with the American Philological Association or with a division of the American Philosophical Association at least one of the papers is normally selected from those submitted to the Program Committee. Occasionally the SAGP is invited to put together panels for other meetings (e.g., World Congress of Philosophy); an attempt will be made to include submitted papers in such panels as well. Most of the papers presented at the annual meeting with SSIPS are submitted rather than invited.

Procedure

Those wishing to present a paper at any meeting of the SAGP are requested to send an abstract (or paper) to A. Preus, Secretary SAGP, c/o Philosophy, Binghamton University, 13902-6000 or to apreus@bingvmb.bitnet, fax 607-777-2280. Submitters should include their name and address directly below the title of the paper on a separate title page, and nowhere else; that will allow for anonymous review by the Program Committee. Submitters should also include a cover letter indicating at which

meeting(s) of the Society they would like (be willing) to present the paper. Deadlines for receipt in Binghamton are as follows:

January 1 for Philology meeting subsequent December (seven copies requested).

February 1 for Eastern Division meeting subsequent December (seven copies requested).

June 1 to be included in the distributed October SSIPS program (one copy is sufficient).

September 1 for Pacific and Central Division subsequent Spring (seven copies requested).

These deadlines reflect the necessity for a month turnaround to the Program Committee and a month to put the program together. Submitters should expect a response about six weeks after each of the deadline dates.

The Program Committee currently consists of The President and Secretary, ex officio, John Anton, W. W. Fortenbaugh, Julius Moravcsik, Joseph Owens, Robert Turnbull.

SAGP/SSIPS: Call for Papers

The 13th Annual SAGP/SSIPS conference will be held in Binghamton on October 14, 15, and 16, 1994. Papers in any area of ancient or medieval philosophy are welcome. A special feature of the 1994 meeting will be panels on Neoplatonism and Mysticism, organized with the cooperation of the International Society of Neoplatonic Studies; we especially invite the submission of (abstracts of) papers for those sessions. Abstracts or papers on ancient philosophy should be sent to A. Preus at Binghamton University; papers on non-ancient topics should be sent to P. Morewedge, IGCS, Binghamton University. Please include your address both for the summer months and for the fall semester with your abstract. The deadline for submission of abstracts of papers is *June 1*. While we may continue to add papers to the program after that date, it is likely that they will be added either on Friday afternoon or late Sunday afternoon. We intend to send out a preliminary program before classes start in the Fall; the June 1 deadline will make that possible.

Call for Papers:
