**DUES**

Dues are $7.50 per year US; $10 Canadian. Make out your check to SAGP. We honor multi-year dues payments. If you have not yet sent your dues for the 94/5 academic year, we urge you to send your check now. It costs us more to mail out "back issue" papers than to mail them in the bulk mailing.

If you are paid up on your dues, the number 94/5 or a higher number (including number beginning with "0") appears on the label. If you have any other notation and you want to be sure to continue to receive the newsletters, please be sure to send your dues now!

**SAGP Speaker Policy**

The Society for Ancient Greek Philosophy, founded in 1953, sponsors sessions with the annual meetings of the American Philological Association and with the Eastern, Central, and Pacific Divisions of the American Philosophical Association. In addition, SAGP has since 1980 participated in a joint meeting with the Society for the Study of Islamic Philosophy and Science and several other groups. Members and potential members of the Society are invited to submit abstracts or papers for any or all of these meetings. At each meeting with the American Philological Association or with a division of the American Philosophical Association at least one of the papers is normally selected from those submitted to the Program Committee. Occasionally the SAGP is invited to put together panels for other meetings (e.g., World Congress of Philosophy); an attempt will be made to include submitted papers in such panels as well. Most of the papers presented at the annual meeting with SSIPS are submitted rather than invited.
Procedure

Those wishing to present a paper at any meeting of the SAGP are requested to send an abstract (or paper) to A. Preus, Secretary SAGP, c/o Philosophy, Binghamton University, 13902-6000 or to apreus@bingvmb.bitnet, fax 607-777-2734. Submitters should include their name and address directly below the title of the paper on a separate title page, and nowhere else; that will allow for anonymous review by the Program Committee. Submitters should also include a cover letter indicating at which meeting(s) of the Society they would like (be willing) to present the paper. Deadlines for receipt in Binghamton are as follows:

January 1 for Philology meeting subsequent December (seven copies requested).
February 1 for Eastern Division meeting subsequent December (seven copies requested).
June 1 to be included in the distributed October SSIPS program (one copy is sufficient).
September 1 for Pacific and Central Division subsequent Spring (seven copies requested).

These deadlines reflect the necessity for a month turnaround to the Program Committee and a month to put the program together. Submitters should expect a response about six weeks after each of the deadline dates.

The Program Committee currently consists of The President and Secretary, ex officio, John Anton, W. W. Fortenbaugh, Julius Moravcsik, Joseph Owens, Robert Turnbull.
