Accommodations

Fordham’s Lincoln Center campus is located on the western side of Manhattan at 60th Street and Columbus Avenue, about two blocks from Columbus Circle and the southwestern border of Central Park. The hotel closest to Fordham’s Lincoln Center campus is the Hudson Hotel (www.hudsonhotel.com), which provides a business rate (pending availability) if you identify yourself as affiliated with Fordham University.

Lodging can be found on a number of search vehicles like www.expedia.com, www.nyc.com/hotels/, hotels.com, or www.nycgo.com/?event=view.nav§ion=hotels (which is

the site to which the Mayor's office links). A number of sites allow you to search by regions within Manhattan. The three regions closest to Fordham are Central Park West (north of the campus), Clinton ("Hell's Kitchen," west and south of the campus), and Midtown West (south of the campus). Some sites allow you to search by landmarks: the closest one to Fordham is the Lincoln Center for the Performing Arts (which is across the street from Fordham).

The Lincoln Center area is one of the more expensive places to stay in the city, but around Bryant Park and the Empire State building (three stops from Columbus Circle on the red line), lodging is more reasonably priced.
