Sheldon: Free Will

FREE WILL

Glenn Sheldon

The Chinese restaurant's fake
trout stream is heartbreaking in
its trust that we need lies. We do.
So many expensive beers, bows

to blonde waiters and talks about
friends turned into puppets to get
to their misfortunes. We need
poems much more than poems

need us: *Chicago is tomorrow and
the time to pack up is right now!* This
means something: meaning is possible?
The tip is merely mathematics.
