Gottlieb-Miller: Begin Again

**BEGIN
AGAIN**

**JOSHUA
GOTTLIEB-
MILLER**

There is a town in Israel where Armageddon will begin.
We know this because there is a McDonald's there pulled
like skin over the bones of old synagogues. And tourists,
with a faith bone-deep that it won't happen yet. Say
this much about the town: they produce some unbeatable postcards.
And say this about old synagogues: we build prisons atop them.
And say this about old rabbis: even Jesus did not demand anything
of the angels
that they could not grant.
